Cerede Enterprise.

The Wheeling Intelligences has a beautiful new dress, and is just as pretty as a sixteen year old maiden. The Intelligences is evidently in a prosperous condition, and we hope it may never be otherwise. of his election, or his vote electing a white otherwise. Staunch, Reliable and Able.

give him a large dose of buckshot. Gen-The Wheeling Intelligences lately cele eral Toombs is frank enough to say that brated its thirty-second birthday. It is a staunch, reliable, able paper, and deserves the negro shall go so far and not be perits long lease of life. mitted to step over that line. It is becoming a tiresome subject to write of the A Credit to Journalis

Buckhauma Banner.

The Wheeling INTELLIGENCER has entered upon its thirty-third year, much improved in appearance and with solid support that will ensure the celebration of its centennial. The INTELLIGENCER is the paper of its party in this State, and is a credit to high-toned journalism.

#### An Increasing Power.

An Increasing Power.

Preston County Journal.

That \$325 "contempt fine" doesn't seem to have hurt the INTELLIGENCER. In celebrating its 32d year it dons a bright new dress, and is now as neat as it is good. The paper is an increasing power. The Farmer and the Tariff.
The great object of the protective tariff is to create diversified industries more than to foster any special class. The farmer reaps his reward where manufactures are omoted by tariff laws, and he is not a

#### A Deal in Futures.

Chicago News. Deal in Patures.

"Yes, my dear, you shall have a new fall bonnet, a brocaded satin gown, a—"

"Oh, George, what has happened?"

"Nothing has happened, but everything is going to happen, my dear."

"Dear, dear, what is it?"

"Now be calm, my dear perfectly calm. Not a word to a soul about it. I have bought 10,000,000 firecrackers."

"What do you mean?"

"I mean that John Bear has contracted to deliver to me next June 10,000,000 firecrackers at this year's prices."

"But——"

"No, of course, you are a woman; of course you don't see millions of dollars pouring into my pockets. You probably idea," was known that the course you probably idea," was known these. free traders. Protection not only benefits tant issue of the campaign the New York

Tribune says: "Compare, for example, the two States of Michigan and Indiana. In manufactures and non-agricultural oursuits is fifty-eight; in Indiana it is

forty-eight. The reports of the Depart-ment of Agriculture prove that the value per capita of farms per acre and also of the products of agriculture, constituting the

farmer's income, is greater in Michigan than in Indiana, and also that higher than in Indiana, and also that higher wages are paid to farm laborers. When both Michigan and Indiana are compared with France and will turn all her firewith States which have made greater presume you don't even see the point progress in manufacturing, and contain a smaller proportion of agricultural pop-

### Nothing in a Name

true. Diversify labor, promote new industries, and establish successful manufactures, and you will benefit the farmers by creating markets close at hand, and by making their land and their products more valuable, and thereby adding to their income, and you will increase the wages, not only of artisans employed in new manufacturing enterprises, but of laborers as well. Protection protects the farmer in a very real sense.

| Manufacturers and Wages. | The census of 1880 gives a very comprehensive table of the progress of manufacturing industries in the South, and the comparison of other States with West Virginia is not by any means odious. In West Virginia the number of establishments are 2,375, while Virginia has 5,710. true. Diversify labor, promote new in-"Edith !"

### A Cool Horse Thief.

The invested capital of the former is \$13,883,390, and the latter \$26,008,090. The
greatest difference between the two States
is in the number of hands employed. In
the Old Dominion 40,186 hands find employment, while West Virginia, with oneluff the number of catalytishment.

ployment, while West Virginia, with one-half the number of establishments, employs 14,311. West Virginia, however, pays out in wages \$4,313,965, and Virginia \$7,313,965. The value of the material used in Virginia industries is \$32,883,933, and in West Virginia, \$14,027,388. The value of the product in virginia industries is \$32,883,833, and in West Virginia, \$14,027,388. The value of the product in value of the value of the product in value of the val

and in West Virginia, \$14,027,388,
The value of the product in the former State is \$51,780,092, and in the latter \$22,867,120. South Carolina has latter \$22,867,120. South Ca

mearly the same number of industries and employs 1,000 more hands than West Virginia, yet she pays only one-half the amount in wages. Alabama with the same number of industries but a less number of hands pays only half as much in wages. The remainder of the States are proportionately behind West Virginia in the matter of wages, taking into consideration the number of industries and the hands employed.

Bucklen's Arnien Salve.

A lawyer's Mean Revenge.

A lawyer was jilted by a young woman two or three years ago, and recently she was served the same way and came to the lawyer to see about bringing a suit for a breach of promise. "So," he said, "you say the young man stole your heart." "Yes, he did," she solbed, "and I want to make the said of the said of the said." was served the same way and came to the lawyer to see about bringing a suit for a breach of promise. "So," he said, "yon say the young man stole your heart." "Yes, he did," she sobbed, "and I want to make him suffer for it, and I'm going to do it, too. I want \$23,000 damages at least." (guaranteed to give perfect satisfaction, or money refunded. Price 25 cents per box. "Well, I don't care, he will have to pay

POLITICAL PARAGRAPHS. John C. New is confident that Indiana will give at least 10,000 Republican majority.

it." "I understand you, I believe, to say that he stole your heart. Is that all?" "All! Ain't that enough?" "Hardly, I think, for \$25,000. I'll tell you what I'll do, though. I'll have him arrested for petit larceny and send him to the work-house for thirty days. I guess that's about a stand-oil, ain't it?" Hendrick's letter publicly discussing Cloyeland's withdrawal shows either treachery hopelessness, or sheer hebetude and nobody has ever taken Tom Hendrick for a fool.—Buffulo Commercial Advertiser FOR SALE-A RELIABLE HORSE WANTED-A GIRL TO DO GEN-ERAL Housework. Apply immediately at corner of York and Virginia streets, Wheeling Island. Springbok meat from South Africa has seen successfully introduced into England. An underground stream flows beneath he city of Birmingham, Ala. It is to be used for a sewer.

Intel 101.—Bulato Commerciale President S31 out of every \$100,000 of public revenue collected was either lost or stolen. Under the administration of President Arthur the loss on every \$100,000 was 18 cents. Keep the rascals out. An underground stream flows beneath the city of Birmingham, Ala. It is to be

the rascals out.

Sandwiches are a great staple in London. Sorty thousand men are said to be daily ingaged vending them.

A loston agricultural editor says that he hest way to preserve peaches is to keep bull dog in the orchard.

A law is netually under the control of the con

Since Col. Thomas P. Ochiltree has de-clined to become a candidate for a second term in Congress the lone star of Texas has decreased in size from the ostentatious proportions of a green cheese to the ridicu-lous diminutiveness of a dried pea.— Chicago News

Mr. Chamberlain thinks the Wisconsin nan of the near future is to be almost a German, while the New Englander will be it least half an Irishman. Chicago News.

The Boston Globe, with the air of one who has found out all about it, says "Gov. Cleveland will carry Buffalo and Eric counties handsomely, The people there are immensely proud of him." It is doubtful which of these two statoments will cause the more morringer in Ruffalo. at least half an Irishman.

At the recent Republican gathering at Strong, Me., it is reported that ex-Vice President Hamlin "stood erect as a maple sapling in a clawhammer coat."

will cause the more merriment in Buffalo.

—Rochester Post-Express. Sam Small, of Atlants, Ga., boasts of having more than eighty scrap books covering the political history of men and events in Georgia for forty years past.

Strychnine and nicotine must be among the very slow poisons, since an old fellow in North Carolina, 114 years old, has been a slave to whisky and tobacco for the last ninety-four years.

Poor Mr. Hendricks! He is working

Poor Mr. Hendricks! He is working very hard under exceedingly adverse circumstances. His pathetic appeals for votes are calculated, or at least intended to melt the hardest hearts. Cleveland is too heavy a load, however, to be piled or top of Hendricks' own unworthiness.—

"The Accident was Due to Carelessness."

So said the Coroner's Jury, and censured the switch-tender who was said to have carelessly left the switch open. Examination showed that the poor fellow was nervous from over-work, and that his constitution was badly run down by underfeeding, the result of poor pay. What he needed was a bottle or two of Brown's Iron Bitters, which would have toned up his nerves, and strengthened him in mind and body. Mr. Thos. Jones, Newark, Ohio, takes pleasure in saying. "Brown's Iron Bitters completely cured me of weakness, debility and poor appetite. It gave entire satisfaction."
